AKC Sanctioned 4-6 Month Beginner Puppy Competition

Great Dane Club of Northern California - Saturday Afternoon

Monterey Bay Great Dane Club - Monday Afternoon

Saturday's Judge: Nancy Ridgway; Monday's Judge: Alexia Rodriguez

The 4-6 Month Beginner Puppy Competition is open to all Great Dane puppies that are (4) months & under (6) six months of age on the day of the event. The class is not divided by sex, and there will be a selection of Best of Breed Beginner Puppy and Best of Opposite Sex to Beginner Puppy. The 4-6 Month Beginner Puppy Competitions will begin immediately before the afternoon show on Saturday and Monday.

- An AKC registration number or litter number will be required for entries.
- A foreign-born dog may enter this class if they are registered in the country of origin.
- All entrants are required to be vaccinated (including rabies) in accordance with their veterinarian's protocol.
- No puppy can be judged if it is bandaged, taped, glued, stitched anywhere including ears or tail. These dogs will be excused from judging, but, at judge's discretion, may return to the ring to be judged after the tape or bandage is removed.
- Professional Handlers are not allowed to exhibit in this competition. Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years.
- Minors (under 18) with amateur status who reside with professional handlers and current assistants to professional handlers that are eligible to compete in Junior Showmanship (meet age and amateur status requirements) may personally exhibit dogs in the 4-6 Month Beginner Puppy Competition.

Parade of Titleholders and Veterans

(Saturday PM Only)

The non-competitive Parade is open to all Great Dane Titleholders (i.e., Great Danes that have earned any AKC title or certification) and Veterans (Great Danes that are 6 years or older). Each participant will receive a rosette imprinted with the dog's name. To enter, write "Parade" in the "Additional Classes" field on the AKC entry form and mail to the Show Secretary listed on entry form.

Please share with us what makes you proud to parade your dog! Write up a paragraph or two that can be read as you go around the ring, and send it to Dail Koehler at dail42rt@gmail.com by Thursday, April 18, 2024 so we can be ready to celebrate your dog with you and everybody at ringside. *Dog tricks & costumes encouraged!!!*

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.

When I was 8 years old, I met my first Great Dane. My Mother's friend had bought a brindle male his name was Boomer, she had brought him by the house one day and I instantly fell in love. I begged my parents for one, living on a farm, my father informed me that a dog that

size wasn't practical. He said when you grow up and have a place of your own you can have one. I think my father thought it was just a passing phase; he was so wrong!

Twenty-five years ago, I purchased my first Great Dane. She was a black girl named Isabella; I purchased her as a pet. Her breeder convinced me to show her. I was skeptical about showing. It only took two or three shows to hook me.

I have been blessed to have bred, co-bred or co-owned over 20 champions and have shown or co-owned 3 in the Top Twenty. I breed under the kennel name of Castle Creek. I feel so very fortunate to have met so many wonderful people via this breed that I love so very dearly.

I want to thank the Great Dane Club of Northern California for inviting me to judge their sweepstakes. It is always such a huge honor to be asked to step into the ring and evaluate the breed that means so very much to me.

Good luck to all!

Frankie Dubman

Sunday Sweepstakes Judge

When Jaye and I started this beautiful journey breeding Great Danes, we never thought it would become the ride of a lifetime! As of 2024, we have bred over 25 AKC Champions, multiple Best in Specialty winners, several Top 20 contenders, and the winner of the 2022 GDCA Top 20 Invitational.

We are trying to leave a mark on the Breed and that is where our kennel name -- Legado Danes -- comes from. Legado is Spanish for legacy. Our goal is to leave a legacy that will last for generations to come.

In the last 5 years, I've piloted over 20 Great Danes to their championships, picked up 45 BISS wins, as well as

multiple AOMs and Select at the GDCA National, the majority breeder-owner-handled. Working independently and for talented all-breed handlers, I've also shown other breeds and varieties to big wins at prestigious events including the AKC National Championship in Orlando and Morris and Essex in New Jersey.

This is my first time judging in California and I hope is not the last. Thank you to the GDCNC for inviting me to be part of this amazing experience.

Monday Sweepstakes Judge

My love for Great Danes began as a child. My parents had us research the breed, bought us books, and my Mamaw knew a lady who showed Great Danes. She brought us a stack of Great Dane Reporters and I was hooked. My parents got our first Great Dane in the early 90s and took me to my first dog show at Del Mar to watch the Great Danes. Fast forward to 2008

and I bought a show prospect who finished quickly. After showing several Danes to their titles, I campaigned my brindle dog, Trace, in 2013. It was an amazing ride in which we made lifelong friends in the breed.

After successfully handling my own dogs, I started showing for other people. I have had the pleasure of handling and finishing multiple dogs for several clients, taking my young son on the road with me. He learned how to read and do math while traveling with me to shows.

I have bred fawn, brindle, and black litters under my kennel name of Syvile Great Danes. It is named after my Mamaws and Grandmother, taking the first two letters of their first names. (Sydney, Vivian, and Leola). I am fortunate to have mentors, past and present, that provide guidance to me as I continue to grow and learn. As a

nurse, I know that there is always something new to learn and that life and learning are fluid.

I look forward to the future and am excited for the opportunity to be one of your sweepstakes judges.

Alexia Rodriguez

Monday Four-to-Six Month Puppy Competition Judge

Alexia Rodriguez got her first purebred dog, a Japanese Chin, in 1989. While she did not come from a "dog show family," she started showing her Chin in Junior Showmanship and in the regular classes. This started a love and passion for dog shows and purebred dogs in general.

Alexia and her mother started actively showing and breeding Japanese Chins in the early 1990s. As a junior, Alexia worked for several well known breeders and exhibitors and learned all she could about many different breeds of dogs including Salukis, Dachshunds, Mastiffs, Smooth Fox Terriers, Boston Terriers and Miniature Schnauzers.

While the Japanese Chin will always have a special place in heart, Alexia is now actively involved in breeding, showing and training Cane Corso and Lowchen, breeding under the Potrero kennel name.

Alexia and her husband, Gabriel, have bred, owned and exhibited multiple Champions, Group placers and Specialty winners in Cane Corso and

Lowchen. They have also trained their dogs to compete in performance sports such as Agility, Obedience, Rally and IGP/Schutzhund. Currently Alexia works as a professional dog trainer for pet dogs.

Tom Davis

Saturday Morning Specialty Judge

Tom began in the sport of showing purebred dogs in 1977 showing Harlequin Great Danes. Tom and his wife, Joyce, bred their first litter in 1980. They bred, infrequently, only planning to breed when they desired to keep a puppy for the show ring.

Tom was an AKC Registered Handler for about 15 years, specializing in Great Danes. In 2018, he retired from handling and applied for his AKC Judges license. He is currently approved to judge 13 breeds in 5 different Groups.

Tom lives in Midland PA and is currently president of the Beaver County Kennel Club, Vice-President of the Great Dane Club of WPA (past long-term President), and Judges Education Chairman of the Boston Terrier Club of America.

Tom and his wife Joyce have been married for 47 years. They have, successfully, bred Boston Terriers with the kennel prefix "Davane" since 1980 (Davane origination is a combination of Davis and Dane). Tom and Joyce have bred 83 Boston Terrier Champions and many top ranked dogs throughout the years. Both Tom and his wife have earned the Advanced AKC Breeder of Merit "Gold" status.

With sincerest gratitude and honor for selecting me to judge,
Thomas J Davis

Nancy Ridgway

Saturday Puppy Competition & Afternoon Specialty Judge

Originally from Ohio, I have lived in north Texas most of my life. Raised with many siblings and a plethora of dogs and cats, I became interested in Great Danes while in college. My first introduction was through my ex, who obtained a harlequin male. Subsequently I purchased black Danes, beginning in the early 1980's.

My love for the breed and desire to show my dogs was delayed by law school, after which I obtained my first "show" Dane, a fawn named "Skyler", beginning in 2004. One of my dogs, Rosewood Sandale Foolish Pleasure, received an AOM at Westminster in 2008. Montague's Love Me Tender, "Emma", was awarded an AOM at the GDCA National in 2015.

I have co-bred several litters with David and Karen Lozenski (Larchwood), great mentors and friends. I learned much about structure, soundness and general "type" from long-term breeders, such as Dale Tarbox, Sharon Fulford-Fint, Joyce Rowe and many other knowledgeable and accomplished breeders and judges of Great Danes.

I have served on the Board of the Great Dane Club of America in several capacities, and on and off since 2008. I continue to be amazed at how involved our parent and affiliate clubs have become so entrenched in bettering our breed through support for health and research studies, providing affiliated rescue organizations and scholarships for college students.

I look forward to getting to know more of you in the coming years, and I am so honored that your Club has invited me to judge your show.

Thank you!
Nancy

Jennifer Bell

Sunday Morning Specialty Judge

Entering the AKC conformation world in 1996 with her first Great Dane, Jennifer Bell has had a love of the sport from an early age. She showed Great Danes for twenty-five years, later breeding as well, under the prefix Fleur de Lis.

In 2008, she began a career as an all-breed professional handler, primarily handling working breeds and finishing hundreds of dogs over the years from four groups.

In 2010, she added Beagles to the mix and is an AKC Bronze Breeder of Merit, having bred thirty-seven champions to date.

In 2021, Jennifer was approved to judge her first three AKC breeds (Great Danes, Beagles and Labrador Retrievers), plus all-breed Junior Showmanship. She's added numerous breeds to that count now and enjoys judging as well as showing her dogs.

Jennifer has been married to Henry Bell for twenty-one years and together they love their Beagles and race cars.

Susan Yotive

Sunday Afternoon Specialty Judge

We all start our love affair with Great Danes somewhere. Mine happened 4 days after I was married — I adopted a rescue Merle, who forever transformed my life.

Using the kennel name Krisda, in a limited breeding program and the help of wonderful friends, I have been blessed to have had Champions in 3 colors. Starting in the early 70's, I was influenced by many knowledgeable breeders who fixed important goals in my mind.

I have a Bachelor of Science degree in biology from Ohio State University and have worked in the Veterinary field for over 40 years. I have two grown sons and one amazing grandson.

Approved to judge in 1998, it has been a thrill to watch our breed advance. I was honored to judge at the National twice and have judged all over the US and Canada.

Thank you for the honor of judging your Specialty. Wishing everyone the best of luck and have fun — I know I will.

Peter Gaeta

Monday Morning Specialty Judge

My serious entry into the world of purebred dogs started in the mid-sixties in San Diego, CA. While in graduate school, I bought my first Great Dane as a pet. Six years, countless hours of anxiety and thousands of miles later, I applied for and received a license to handle dogs professionally. Yes, long ago one could only charge a fee to handle dogs if licensed (breed by breed) by the American Kennel Club. And, as a matter of information, the license had to be renewed every year via an extensive application. By 1978, I was licensed for all Sporting and Working Breeds plus a number of Hounds, Toys and Non-Sporting Breeds. When AKC discontinued licensing handlers, I became an “all-breed” handler but spent most of my time with Working and Sporting Breeds.

I met my wife, Terri, at a dog show. She was a relatively new but highly successful Bedlington Terrier breeder. It was not long before the house and kennel were full of Bedlington Terriers living alongside client dogs. Bedlingtons are a lovable breed but not an easy breed. Besides the grooming, they are very terrier and must be watched closely around each other and other dogs.

While I was always involved in other professional pursuits, I handled dogs from 1971 until I went to work as an Executive Field Representative for the American Kennel Club in 1999. As a Field Rep, I worked out of Fort Worth, TX for two years and then moved to Charlotte, NC. In 2005 I was promoted to Director of Judging Operations and worked out of the Raleigh office. I retired in 2009 and began my judging career. I am approved for all Working and Sporting breeds, one third of the Terrier Group, plus seven other breeds from across the other groups.

Terri and I currently live in Iron Station, NC, a semi-rural community about 20 miles north of Charlotte. We live with a 15 and a 3-year-old Champion Bedlington Terrier: Ruffles, and Spencer.

Despite the fact that I have not lived with a Great Dane for years, the breed still occupies the warmest spot in my heart. Nothing beats scratching a big old pal right behind the ears while he stands there with his chin tucked and his tail wagging between his legs.

Jeff Lawrence

Monday Afternoon Specialty Judge

Having dedicated my life to the sport of purebred dogs and the Great Dane, I feel so fortunate to have earned this assignment. My sincerest thanks to the membership for selecting me.

My mother Pat Lawrence, who cultivated my love for this sport, bought our first Great Dane in 1973. We bred and showed Great Danes under the kennel name von Waldheim. I competed in junior handling from the ages of ten to seventeen. One of my greatest memories at that time was making it to the Junior Handling Finals at Westminster Kennel Club in 1983.

While in junior handling I met my future wife. We still debate frequently about who came out victorious. In college Patrice and I met again and hit it off. We were married in 1992, and continued to train, handle, breed, and raise Great Danes together for our wonderful clients.

In October of 1995 Tristen was born during the GDCA National Specialty which was held in San Diego, CA. The only National we have missed since we started going together in 1990.

Over the past 30 years we have guided well over 300 Great Danes to their AKC Championships. Handled nine Great Danes to All Breed Best in Shows, Best of Breed at the National Specialty 6 times, Best in Futurity three times, and won the Top Twenty three times.

Great Danes have afforded us so many incredible experiences and brought us so many incredible friends that have become our family.

Official Standard of the Great Dane, Approved July 9, 2018, Effective January 1, 2019

General Appearance: The Great Dane combines, in its regal appearance, dignity, strength and elegance with great size and a powerful, well-formed, smoothly muscled body. It is one of the giant working breeds, but is unique in that its general conformation must be so well balanced that it never appears clumsy and shall move with a long reach and powerful drive. It is always a unit-the Apollo of dogs. A Great Dane must be spirited, courageous, never timid; always friendly and dependable. This physical and mental combination is the characteristic which gives the Great Dane the majesty possessed by no other breed. It is particularly true of this breed that there is an impression of great masculinity in dogs, as compared to an impression of femininity in bitches. Lack of true Dane breed type, as defined in this standard, is the most serious fault.

Size, Proportion, Substance: The male should appear more massive throughout than the bitch, with larger frame and heavier bone. In the ratio between length and height, the Great Dane should be square. In bitches, a somewhat longer body is permissible, providing she is well proportioned to her height. Coarseness or lack of **substance** are equally undesirable. The male shall not be less than 30 inches at the shoulders, but it is preferable that he be 32 inches or more, providing he is well proportioned to his height. The female shall not be less than 28 inches at the shoulders, but it is preferable that she be 30 inches or more, providing she is well proportioned to her height. Danes under minimum height must be disqualified.

Head: The **head** shall be rectangular, long, distinguished, expressive and finely chiseled, especially below the eyes. Seen from the side, the Dane's forehead must be sharply set off from the bridge of the nose, (a strongly pronounced stop). The plane of the skull and the plane of the muzzle must be straight and parallel to one another. The skull plane under and to the inner point of the eye must slope without any bony protuberance in a smooth line to a full square jaw with a deep **muzzle** (fluttering lips are undesirable). The masculinity of the male is very pronounced in structural appearance of the head. The bitch's head is more delicately formed. Seen from the top, the **skull** should have parallel sides and the bridge of the nose should be as broad as possible. The cheek muscles should not be prominent. The length from the tip of the nose to the center of the stop should be equal to the length from the center of the stop to the rear of the slightly developed occiput. The head should be angular from all sides and should have flat planes with dimensions in proportion to the size of the Dane. Whiskers may be trimmed or left natural. **Eyes** shall be medium size, deep set and dark, with a lively intelligent expression. The eyelids are almond shaped and relatively tight, with well-developed brows. Haws and Mongolian eye(s) are very serious faults. In Harlequins and Merles, the eyes should be dark, but blue eye(s) and eyes of different colors are permitted. **Ears** shall be high set, medium in size and of moderate thickness, folded forward close to the cheek. The top line of the folded ear should be level with the skull. If cropped, the ear length is in proportion to the size of the head and the ears are carried uniformly erect. **Nose** shall be black, except in the blue Dane, where it is a dark blue-black. A black spotted nose is permitted on the Harlequins and Merles; a solid pink color nose is not desirable. A split nose is a disqualification. **Teeth** shall be strong, well-developed, clean and with full dentition preferred. The incisors of the lower jaw touch very lightly the bottoms of the inner surface of the upper incisors (**scissors bite**). An overshot bite is a serious fault. Undershot and wry mouths are very serious faults. Even bites, misaligned or crowded incisors are minor faults.

Neck, Topline, Body: The **neck** shall be firm, high set, well arched, long and muscular. From the nape, it should gradually broaden and flow smoothly into the withers. The neck underline should be clean. Withers shall slope smoothly into a short level **back** with a broad loin. The **chest** shall be broad, deep and well muscled. The forechest should be well developed without a pronounced sternum. The brisket extends to the elbow, with well sprung ribs. The **body** underline should be tightly muscled with a well-defined tuck-up. The **croup** should be broad and very slightly sloping. The **tail** should be set high and smoothly into the croup, but not quite level with the back, a continuation of the spine. The tail should be broad at the base, tapering uniformly down to the hock joint. At rest, the tail should fall straight. When excited or running, it may curve slightly, but never above the level of the back. A ring or hooked tail is a serious fault. A docked tail is a disqualification.

Forequarters: The forequarters, viewed from the side, shall be strong and muscular. The **shoulder blade** must be strong and sloping, forming, as near as possible, a right angle in its articulation with the upper arm. A line from the upper tip of the shoulder to the back of the elbow joint should be perpendicular. The ligaments and muscles holding the shoulder blade to the rib cage must be well developed, firm and securely attached to prevent loose shoulders. The shoulder blade and the upper arm should be the same length. The **elbow** should be one-half the distance from the withers to the ground. The strong **pasterns** should slope slightly. The **feet** should be round and compact with well-arched toes, neither toeing in, toeing out, nor rolling to the inside or outside. The **nails** should be short, strong and as dark as possible, except that they may be lighter in Harlequins, Mantles and Merles. Dewclaws may or may not be removed.

Hindquarters: The hindquarters shall be strong, broad, muscular and well angulated, with well let down **hocks**. Seen from the rear, the hock joints appear to be perfectly straight, turned neither toward the inside nor toward the outside. The **rear feet** should be round and compact, with well-arched toes, neither toeing in nor out. The **nails** should be short, strong and as dark as possible, except they may be lighter in Harlequins, Mantles and Merles. Wolf claws are a serious fault.

Official Standard of the Great Dane, continued

Coat: The coat shall be short, thick and clean with a smooth glossy appearance.

Brindle

Color: The base color shall be yellow gold and always be brindled with black cross stripes.

Patterns/Markings: Brindle shall have a black chevron pattern with a black mask. Black should appear on the eye rims and eyebrows and may appear on the ears and tail tip. The more intense the base color and the more distinct and evenly brindled, the more preferred will be the color. Too much or too little brindling are equally undesirable. White markings on the chest or toes; black fronted; dirty colored Brindles; are not desirable.

Fawn

Color: The color shall be yellow gold.

Patterns/Markings: Black should appear on the eye rims and eyebrows with a black mask and may appear on the ears and tail tip. Deep yellow gold must always be given the preference. White markings on the chest or toes, black-fronted; dirty colored Fawns; are not desirable.

Blue

Color: The color shall be a pure steel blue.

Patterns/Markings: White markings on the chest or toes are not desirable.

Black

Color: The color shall be a glossy black.

Patterns/Markings: White markings on the chest or toes are not desirable.

Harlequin

Color: Base color shall be white with black torn patches. Merle patches are normal.

Patterns/Markings: Black torn patches well distributed over the body; with whole or partial white neck. Black pigment may be seen on the skin in white areas. No patch should be so large as it appears to be a blanket. Eligible but less desirable, are black hairs showing through the white base coat which gives a salt and pepper or dirty appearance.

Mantle

Color: Black and white with a black blanket extending over the body.

Patterns/Markings: Black skull with white muzzle; white blaze is optional; whole or partial white neck; a white chest; white on whole or part of the forelegs and hind legs; white tipped black tail. A small white break in the blanket is acceptable. Black pigment may be seen on the skin in white areas.

Merle

Color: A pale gray to dark gray merle base color with black torn patches within.

Patterns/Markings: May be Solid Merle (white on chest and toes is permissible) or Merle with a Mantle Pattern (solid merle blanket extending over the body; merle skull with a white muzzle; white blaze is optional; whole or partial white neck; a white chest; white on whole or part of the forelegs and hind legs; white tipped merle tail. A small white break in the blanket is acceptable. (Black pigment may be seen on the skin in white areas.)

Disqualification: Merlequin, a white dog with ONLY patches of merle.

Faults of Patterns/Markings shall NOT carry as much weight as faults of conformation and breed type. Any variance in Patterns/Markings as described in the above colors, shall be faulted to the extent of the deviation. Any COLOR other than the seven described shall be disqualified.

Gait: The gait denotes strength and power with long, easy strides resulting in no tossing, rolling or bouncing of the topline or body. The backline shall appear level and parallel to the ground. The long reach should strike the ground below the nose, while the head is carried forward. The powerful rear drive should be balanced to the reach. As speed increases, there is a natural tendency for the legs to converge toward the centerline of balance beneath the body. There should be no twisting in or out at the elbow or hock joints.

Temperament: The Great Dane must be spirited, courageous, always friendly, dependable and never timid or aggressive.

Disqualifications

Danes under minimum height. Split nose.

Docked Tail.

Any color other than the seven colors described.

Merlequin.
