President's Message

First, I would like to invite you to attend the match scheduled to be held August 10th at the Sycamore Lane Kennels in Lodi. Lucretia Marcus is our show secretary and Pete Sorenson and Timmi Williams have agreed to be co-chairs for this event. We had a lot of fun last year and we hope to duplicate that this year. It is time to show off your puppies and youngsters! Or just to come and watch and enjoy each others company.

Our back-to-back specialties will be held at Sycamore Lane Kennels on April 26-27, 2003 so mark your calendars. I will, once again, be the show chairman and I am looking to fill some key committee positions. Please contact me if you wish to be part of the now almost famous and successful specialties. It is never too early to start and I am eager to get the ball rolling. Please feel free to ask what you can do whether it is a small or large role...it is all important!

Next month we will be saying our good-byes to Bobbie and Clyde Malloy. They are planning to move to the East Coast and we will truly miss them. Bobbie leaves as her term on the board draws to a close and we want to thank her for her service to the club as a board member and as last year's raffle chairperson. Clyde was an outstanding show chairman and assistant show chairman this year. His organizational skills and his sense of humor will be truly missed. They will leave a void in our lives but we wish them all the best.

Ceil and Dana Wardner are also in the planning stages of preparing for a move down South (should have been northeast!). They have been the mainstays of the club and its shows for many years. They have been the raffle committee, grounds committee, trophy committee, Ways and Means committee, show chairman, assistant show chairman and worked so hard on so many of the club's activities that they will leave a HUGE void that will be very hard to fill. Ceil is currently the vice president and was slated to be our next President. Dana has been treasurer for many years and we see the results of his efforts in his financial statements. We will miss these two friends on so many levels when they do decide to pull up stakes and leave our area. I hope you take the time to acknowledge them and all their efforts.

In light of these anticipated departures, we will need to fill at least five officer positions this next year. Some of those can be filled by current board members or past board members who have served at least a year on the board. Any volunteers? We will also be looking to fill quite a few of the board positions. Candidates for the board need to have been club members

for at least a year as of January 2003. I will be appointing a nominating committee in October but I would appreciate knowing names of those members willing to serve so the committee has something to proceed with.

Our next meeting will be July 27, 2002 at the Royce Farms Restaurant in Stockton. Please join us there or at the match....or both.

See you soon,

Everett
