No entry fee will be refunded in the event of such errors or cancellation of entries after the published closing date and time. Due to cost of processing, no refunds less than \$4.00 will be made.
6. FIRST ENTRY OF EACH DOG IN CONFORMATION OR OBEDIENCE includes an AKC Recording Fee of \$.50. In addition, each entry of a dog in single-entry recording classes includes \$3.00 AKC Event Service Fee. The well-being of dogs, exhibitors, and spectators is of paramount importance and, in the event it is necessary to cancel or stop the show before completion, no refund of entry fees will be made.
8. ACKNOWLEDGEMENT OF ENTRY AND SCHEDULE OF JUDGING TIME will be sent to the address on the Official AKC Entry Form after the closing date, as soon as practicable. If an exhibitor has not received a copy of the Schedule within seven days of the show, please notify the Show Secretary.
9. DECLINATION OF ENTRIES: The Club may decline any entry for cause, and may refuse to receive, or may remove any dog on account of disease, viciousness or other causes, and no one shall have any claim or recourse against the Club or any official thereof.
10. **PLEASE NOTE:** Dogs which according to their owners' records have completed the requirements for a championship after the closing of entries for the show but whose championships are unconfirmed, may be transferred from one of the regular classes to Best of Breed or Variety competition, provided this transfer is made by the Superintendent or Show Secretary one half hour prior to the start of any regular conformation judging at the show. (American Kennel Club Rule, Chapter 11, Sec 6)
11. DOGS MAY ARRIVE any time prior to their scheduled time of judging. Dogs not required for further judging will be excused.

The Club and/or its Show Secretary will not be responsible for, and are not obligated to furnish any service for notifying exhibitors or their agents of breed or class judging. Owners or their agents alone are responsible for the presence of their dogs in the judging ring. Judges will not wait for any dog holding up a class.
13. NO DOGS WILL BE ALLOWED IN THE SHOW AREA except those regularly entered in the show. There will be NO SPACE for unentered dogs at this show. All dogs shall be kept on leash or confined, except when being judged or in the exercising ring.
14. ALL AWARDS WILL BE MADE in the judging ring to the person exhibiting the dog and that person shall be considered the owner or the agent. All claims for trophies must be made in the judging ring before the completion of judging, and the Show Secretary should be advised at once of any discrepancy. The show-giving club and its officials disclaim any liability for any awards not claimed on the day of the show.
15. The Club will take every precaution for the safety of dogs exhibited, but it is understood that the Great Dane Club of Northern California, Inc. will not be responsible for loss. The welfare of the exhibitor's child is assumed to be the responsibility of the exhibitor. Please secure proper crates or means to confine dogs for the welfare of all concerned.
16. No gasoline or diesel generators are permitted inside any building or within 100 feet of any tent in which this dog show is conducted.

17. As specified in Chapter 12, Section 4 of the AKC Rules Applying to Dog Shows, information contained on the entry form is required to be published in the club's show catalog. This information is also subject to publication in other media.

Additional Notices to Exhibitors

The Great Dane Club of Northern California, Inc. and its Show Secretary assume no responsibility for a wrong entry. Exhibitors are advised to clearly print or type all information when filling in the entry form and should pay particular attention to any unusual words.

PLEASE NOTE: Only AKC degrees and titles may be printed in the show catalog.

Entry fees will not be refunded in the event of errors or cancellation of entries after the published closing date, nor in the event a dog is absent, disqualified, sick, lame, in season, excused by the Veterinarian or Judge, or barred from competition by the Event Committee. If because of riots, civil disturbances or any other acts beyond the control of the management or the club, it is impossible to open or complete the show, no refund of entry fees will be made.

Neutered dogs and spayed bitches are allowed to compete in Veteran Classes at Independent Specialties which do not offer competition beyond Best of Breed. Neutered dogs and spayed bitches may compete in Stud Dog and Brood Bitch classes, respectively.

Dogs need not be at the show until the scheduled time of judging. Dogs not needed for further judging will be excused. This is for the safety of the dogs exhibited, and it is understood that the club will not be responsible for loss or injury.

Trophies and prizes will be awarded in the judging ring to the person exhibiting the dog, who will be considered the rightful recipient of the award. Any discrepancy should be reported to the Show Secretary before the completion of the show.

No dogs will be allowed in the show area except those regularly entered in these events. There will be NO SPACE for unentered dogs at these events. ALL DOGS shall be kept on leash except when they are in the judging or exercise ring.

PLEASE NOTE: Use only one entry form per dog. If entering an Open Class, please remember to specify the color. Check the boxes if the entry is for one or both shows and for which obedience and/or rally trial.

Grounds, Cleanup, and Safety

- * Do not block the entrances to the business center of Sycamore Lane Kennels.
- * Dispose of garbage in containers placed on the show grounds.
- * Canopies and ex-pens will be allowed in specified areas. Ex-pens set up on lawn must be matted; mats must be removed at night to prevent damage to the lawn.
- * Do not allow your dog(s) to dig at the lawn area.

CLEAN UP IS YOUR RESPONSIBILITY. Be prepared to dispose of any trash and/or leavings from your dogs. Control your dogs at all times. Violators may be reported to the Event Committee for disciplinary action. Have someone supervising your setup area at all times at the event site. Do not expect someone else to pick up after you and your dogs. By signing the entry forms for these events you are agreeing that clean up is your responsibility! Thank you!

DO NOT LEAVE ANY DOGS IN CLOSED VEHICLES. If any dog is seen to be suffering from extreme temperatures or is confined without supervision, the authorities will be notified to handle the situation. Violators may be reported to the Event Committee for disciplinary action. Great Dane Breed Standard

Working Group

General Appearance

The Great Dane combines, in its regal appearance, dignity, strength and elegance with great size and a powerful, well-formed, smoothly muscled body. It is one of the giant working breeds, but is unique in that its general conformation must be so well balanced that it never appears clumsy, and shall move with a long reach and powerful drive. It is always a unit-the Apollo of dogs. A Great Dane must be spirited, courageous, never timid; always friendly and dependable. This physical and mental combination is the characteristic which gives the Great Dane the majesty possessed by no other breed. It is particularly true of this breed that there is an impression of great masculinity in dogs, as compared to an impression of femininity in bitches. Lack of true Dane breed type, as defined in this standard, is a serious fault.

Size, Proportion, Substance

The male should appear more massive throughout than the bitch, with larger frame and heavier bone. In the ratio between length and height, the Great Dane should be square. In bitches, a somewhat longer body is permissible, providing she is well proportioned to her height. Coarseness or lack of substance are equally undesirable. The male shall not be less than 30 inches at the shoulders, but it is preferable that he be 32 inches or more, providing he is well proportioned to his height. The female shall not be less than 28 inches at the shoulders, but it is preferable that she be 30 inches or more, providing she is well proportioned to her height. Danes under minimum height must be disqualified.

Head

The head shall be rectangular, long, distinguished, expressive, finely chiseled, especially below the eyes. Seen from the side, the Dane's forehead must be sharply set off from the bridge of the nose, (a strongly pronounced stop). The plane of the skull and the plane of the muzzle must be straight and parallel to one another. The skull plane under and to the inner point of the eye must slope without any bony protuberance in a smooth line to a full square jaw with a deep muzzle (fluttering lips are undesirable). The masculinity of the male is very pronounced in structural appearance of the head. The bitch's head is more delicately formed. Seen from the top, the skull should have parallel sides and the bridge of the nose should be as broad as possible. The cheek muscles should not be prominent. The length from the tip of the nose to the center of the stop should be equal to the length from the center of the stop to the rear of the slightly developed occiput. The head should be angular from all sides and should have flat planes with dimensions in proportion to the size of the Dane. Whiskers may be trimmed or left natural. Eyes shall be medium size, deep set, and dark, with a lively intelligent expression. The eyelids are almond-shaped and relatively tight, with well developed brows. Haws and mongolian eyes are serious faults. In harlequins, the eyes should be dark; light colored eyes, eyes of different colors and walleyes are permitted but not desirable. Ears shall be high set, medium in size and of moderate thickness, folded forward close to the cheek. The top line of the folded ear should be level with the skull. If cropped, the ear length is in proportion to the size of the head and the ears are carried uniformly erect. Nose shall be black, except in the blue Dane, where it is a dark blue-black. A black spotted nose is permitted on the harlequin; a pink colored nose is not desirable. A split nose is a disqualification. Teeth shall be strong, well developed, clean and with full dentition. The incisors of the lower jaw touch very lightly the bottoms of the inner surface of the upper incisors (scissors bite). An undershot jaw is a very serious fault. Overshot or wry bites are serious faults. Even bites, misaligned or crowded incisors are minor faults.

Neck, Topline, Body

The neck shall be firm, high set, well arched, long and muscular. From the nape, it should gradually broaden and flow smoothly into the withers. The neck underline should be clean. Withers shall slope smoothly into a short level back with a broad loin. The chest shall be broad, deep and well muscled. The forechest should be well developed without a pronounced sternum. The brisket extends to the elbow, with well sprung ribs. The body underline should be tightly muscled with a well-defined tuck-up.

The croup should be broad and very slightly sloping. The tail should be set high and smoothly into the croup, but not quite level with the back, a continuation of the spine. The tail should be broad at the base, tapering uniformly down to the hock joint. At rest, the tail should fall straight. When excited or running, it may curve slightly, but never above the level of the back. A ring or hooked tail is a serious fault. A docked tail is a disqualification.

Forequarters

The forequarters, viewed from the side, shall be strong and muscular. The shoulder blade must be strong and sloping, forming, as near as possible, a right angle in its articulation with the upper arm. A line from the upper tip of the shoulder to the back of the elbow joint should be perpendicular. The ligaments and muscles holding the shoulder blade to the rib cage must be well developed, firm and securely attached to prevent loose shoulders. The shoulder blade and the upper arm should be the same length. The elbow should be one-half the distance from the withers to the ground. The strong pasterns should slope slightly. The feet should be round and compact with well-arched toes, neither toeing in, toeing out, nor rolling to the inside or outside. The nails should be short, strong and as dark as possible, except that they may be lighter in harlequins. Dewclaws may or may not be removed.

Hindquarters

The hindquarters shall be strong, broad, muscular and well angulated, with well let down hocks. Seen from the rear, the hock joints appear to be perfectly straight, turned neither toward the inside nor toward the outside. The rear feet should be round and compact, with well-arched toes, neither toeing in nor out. The nails should be short, strong and as dark as possible, except they may be lighter in harlequins. Wolf claws are a serious fault.

Coat

The coat shall be short, thick and clean with a smooth glossy appearance.

Color, Markings and Patterns

Brindle--The base color shall be yellow gold and always brindled with strong black cross stripes in a chevron pattern. A black mask is preferred. Black should appear on the eye rims and eyebrows, and may appear on the ears and tail tip. The more intensive the base color and the more distinct and even the brindling, the more preferred will be the color. Too much or too little brindling are equally undesirable. White markings at the chest and toes, black-fronted, dirty colored brindles are not desirable.

Fawn--The color shall be yellow gold with a black mask. Black should appear on the eye rims and eyebrows, and may appear on the ears and tail tip. The deep yellow gold must always be given the preference. White markings at the chest and toes, black-fronted dirty colored fawns are not desirable.

Blue--The color shall be a pure steel blue. White markings at the chest and toes are not desirable.

Black--The color shall be a glossy black. White markings at the chest and toes are not desirable.

Harlequin-- Base color shall be pure white with black torn patches irregularly and well distributed over the entire body; a pure white neck is preferred. Merle patches are normal. No patch should be so large that it appears to be a blanket.

Eligible, but less desirable, are black hairs showing through the white base coat which give a salt and pepper or dirty appearance.

Mantle--The color shall be black and white with a solid black blanket extending over the body; black skull with white muzzle; white blaze is optional; whole white collar is preferred; a white chest; white on part or whole of forelegs and hind legs; white tipped black tail. A small white marking in the blanket is acceptable, as is a break in the white collar.

Any variance in color or markings as described above shall be faulted to the extent of the deviation. Any Great Dane which does not fall within the above color classifications must be disqualified.

Gait

The gait denotes strength and power with long, easy strides resulting in no tossing, rolling or bouncing of the topline or body. The backline shall appear level and parallel to the ground. The long reach should strike the ground below the nose while the head is carried forward. The powerful rear drive should be balanced to the reach. As speed increases, there is a natural tendency for the legs to converge toward the centerline of balance beneath the body. There should be no twisting in or out at the elbow or hock joints.

Temperament

The Great Dane must be spirited, courageous, always friendly and dependable, and never timid or aggressive.

Disqualifications

Danes under minimum height.

Split nose. Docked Tail.

Any color other than those described under "Color, Markings and Patterns"

Approved January 11, 2011.

Effective March 1, 2011.

Schedule of Championship Points

The Points towards a Championship shall be awarded to the Winners Dog and Bitch, based on the actual number of dogs or bitches competing in that breed or variety. Only dogs entered and judged in the Regular Classes will be counted as being present for the purpose of Championship rating.

Any dog which shall have won fifteen points shall become a Champion of Record, if six or more points shall have been won at two shows with a rating of 3 or more Championship Points each and under two different judges, and some one or more of the balance of the points shall have been won under some other judge or judges than the two judges referred to above.
