

Saturday AM Judge: Nichole Bartlett

I was raised in a family that exhibited Great Danes so grew up around the breed. I began my own journey in the sport of purebred dogs in 2005 by showing my Great Danes in obedience and rally. Shortly thereafter, I ventured into conformation and have not looked back! While I still enjoy obedience, rally, barn hunt, dock diving and lure coursing, I find myself focused on conformation.

My first champion was BISS GCH WYSIWYG's Danica Start Your Engine at Enzodane GDCA-HOF, ROM, RN, CGC. Danica accomplished more than I could have imagined and was the foundation for my kennel Enzo Great Danes. Along my journey with Danica and her offspring, I had the pleasure of showing fawn, brindle, black, blue, harlequin and mantle Danes for friends over the years. I have also added three other breeds that I now own and exhibit: Dobermans, Afghan Hounds and Ibizan Hounds.

In the last few years, I started working on my judges license for several breeds and hope to judge working and hound groups and several other breeds that I have interest as well as junior showmanship. I genuinely enjoy continuing my education in other breeds and aspire to judge as much like a 'breeder judge' as I can, regardless of the breed that I am assigned. I want to thank the club for entrusting me with today's assignment and wish all exhibitors the best of luck.
