

# Jennifer Bell

## Sunday Morning Specialty Judge

Entering the AKC conformation world in 1996 with her first Great Dane, Jennifer Bell has had a love of the sport from an early age. She showed Great Danes for twenty-five years, later breeding as well, under the prefix Fleur de Lis.

In 2008, she began a career as an all-breed professional handler, primarily handling working breeds and finishing hundreds of dogs over the years from four groups.

In 2010, she added Beagles to the mix and is an AKC Bronze Breeder of Merit, having bred thirty-seven champions to date.

In 2021, Jennifer was approved to judge her first three AKC breeds (Great Danes, Beagles and Labrador Retrievers), plus all-breed Junior Showmanship. She's added numerous breeds to that count now and enjoys judging as well as showing her dogs.

Jennifer has been married to Henry Bell for twenty-one years and together they love their Beagles and race cars.
