

Sunday AM Judge: Faye Zahorchak

I purchased my 1st Great Dane in 1974. Her name was Toots. Of course she was a harlequin! She wasn't a show dog, but that's what started me off into the world of showing dogs.

I have finished a number of Champions over the years. My ex-husband handled a number of my dogs because I'm a lousy handler. But I trained, groomed, and did everything outside the ring for them!

I currently live with my son, Rick Jr., and 3 Danes: two mantles and a harlequin. My harle girl, Nova, is just starting her show career. She is a force to be reckoned with!

Besides Great Danes, I also love the old

muscle cars. My son and I were drag racers at Keystone Raceway Park for a number of years.

I love all dogs but have a special place in my heart for Great Danes. I look forward to judging your show!
