

Saturday Sweepstakes Judge: Logan Rees

I purchased my first Great Dane in 2001 but I have been studying the breed since 1991.

I have owned many Champion Great Danes, including some I have owner-handled. I have also owned a Top 20 Great Dane, Splash, who was a multi-group and Best in Specialty Show winner.

Splash went on to have two litters. She has won three GDCA National Awards of Merit, including one from the senior veteran class, a ROM and a Venerable Dane award.

Splash's get have done quite well in conformation ring, as well. She produced 5 AKC Champions, including 2 BISS, 2 multi-group winners and a Top 20 dog.

These Champion get have now gone on to produce litters and Champions of their own.

I have recently shifted my focus from breeding to judging. I have completed my sweepstakes requirements and half of my stewarding assignments. I will most likely be applying for permit status in the next 12-18 months.
