AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.

Thursday Sweepstakes Judge: Darryl Pitts

I have been involved in breeding and showing dogs for nearly 40 years. My passion for the sport truly took hold when I acquired my first show Great Dane, sparking a deep appreciation for both the breed and the dog show community.

Since then, I have devoted myself fully to Great Danes as a preservation breeder, owner-handler, and active member of both local and parent breed clubs. I am now excited to be expanding my involvement into judging.

To date, I have bred 19 AKC Champion Great Danes, including the 2023 GDCA Top 20 winner. I am grateful for the opportunity to contribute to the future of this remarkable breed and appreciate the honor of judging sweepstakes for your club.

Friday Sweepstakes Judge: Neil O'Sullivan

Neil O'Sullivan was born into an active dog family in Ireland and enjoyed showing from a young age. The first dog he owned with his sister Margaret was a brindle Great Dane. Sadly, it succumbed to Wobblers shortly after its first birthday, inspiring 14-year-old Neil's interest in genetics.

Following his undergraduate studies in Ireland, Neil moved to the United States and completed his PhD in genetics at Virginia Tech. Neil is recognized for his research on harlequin coat color inheritance in Great Danes and has enjoyed success owning, breeding and exhibiting in all the color families.

In addition to Great Danes, Neil and his husband Gerard have successfully bred Soft Coated Wheaten Terriers and Briards.

Saturday Sweepstakes Judge: Brian O'Donnell

Brian O'Donnell is a passionate Great Dane fancier dedicated to promoting and celebrating the breed through education, competition, and community involvement. With a strong interest in conformation and performance events, Brian has been actively engaged in activities surrounding the breed and its enthusiasts, particularly through work connected with the Great Dane Club of America and events held under the umbrella of the American Kennel Club.

Brian contributes to the Great Dane community by helping highlight the excellence, history, and versatility of the breed. His work often focuses on promoting major events such as the National Specialty and educational opportunities that bring together breeders, exhibitors, judges, and fans of the breed. Through event promotion, social media and creative projects, he aims to showcase the beauty, structure, and intelligence that define the Great Dane.

Known for his enthusiasm and creative approach, Brian enjoys helping make Great Dane events exciting and accessible, celebrating the dogs and the people who are dedicated to preserving and improving this iconic breed.

Sunday Sweepstakes Judge: John Jarvise

I was introduced to all breed dog shows around 1969 and met Bob Edison (my husband) and my first Great Dane (Ch. Del Oro Sunfire D'Topke) in 1988. I was smitten from the beginning. From that point on I have owned and bred Great Danes under the Del Oro kennel name producing many generations of champions including specialty and group winners and some with Top Twenty placements.

I have had the privilege of judging specialty sweepstakes in many U.S. states and the Great Dane Club of Canada National Sweepstakes. I am currently a member of the Great Dane Club of America and the Great Dane Club of Arizona. In my professional life, I am a Wealth Advisor for a national firm.

Thank you for inviting me to judge your sweepstakes and best of luck to all.

Thursday AM Judge: John Walsh

I grew up with the family kennel of Rough Collies and Shetland Sheepdogs under the “Joshren” Kennel, I showed Collies for the first time in 1976. Over time they have had in the family kennels Rough Collies, Smooth Collies, Bearded Collies and Shetland Sheepdogs as well as some other breeds, including Welsh Corgi Cardigan.

It was through handling that my passion for Great Danes/ “Deutsche Doggen” began. In 1988, I started off by showing the blue dog, “Sir Howey Mr Blue Sky” and he gained his Irish Championship in 1989. In 1995 my wife Mary and I registered our Yandamar kennel. We started with Blues but now specialise in Blacks/Mantles, Harlequin and Merles. We bred and campaigned the first two Mantle Champions in Ireland (2016), as well as the first Merle Champion in 2025.

I joined the committee of The Irish Great Dane Club in 1997, over the years I have served as committee member, vice president, of Honorable Secretary (2003 – 2018). In 2018 I was elected Club President, a position which I still hold with great honour and pride.

With a passion for our magnificent breed, the Apollo of dogs, health and welfare has to be foremost in my mind. I am extremely proud of the Irish Great Dane Club Membership of the European Deutsche Doggen Club (EuDDC), it is through the EuDDC that Breeding Assessment/Confirmation were brought to Ireland. I believe that is only with such national and International co-operation that we can develop our breed for the better.

I began judging in 1989 and was privileged to achieve my All Breeds and Group qualifications in 2016. Over the years, judging has taken me to every continent and to more than 40 countries worldwide. I have had the honour of officiating at multiple World and European Dog Shows, experiences that have greatly broadened my perspective on breed type and global interpretation.

Great Danes, however, hold a very special place in my judging career. It has been a particular privilege to judge this magnificent breed at some of its most prestigious assignments, including the **Westminster Kennel Club Dog Show** in 2014 and the **Great Dane Club of America** National Specialty in Kansas in 2018. To be entrusted with judging Great Danes at this level is both an honour and a privilege. The breed’s combination of strength, elegance, balance, and true breed character continues to inspire me. I remain deeply committed to rewarding correct type, soundness, and the unmistakable presence that defines the Great Dane at its best.

I am active in many aspects of Irish Dog Shows:

Irish Kennel Club, Elected to the Board of Directors in January 2026

President and Kennel Club Representative for the Irish Great Dane Club

Elected Member of the European Great Dane Federation (EuDDC), Health & Breeding Commission

President of Molosser Breeds Association of Ireland

Chairman of the Combined Canine Club (All Breed Club)

I very much look forward to judging your Great Danes and appreciating their quality and type.

Thursday PM Judge: Gina Jaeblon

Most of you know me; many for over 50 years.

I have been married to the same man for 62 years and my only passion is the challenge of raising, in my eyes, the most perfect harlequin I possibly can.

"Two roads diverged in a wood and I took the one less traveled by and that made all the difference."

Thank you for asking me to judge your Specialty.

Friday AM Judge: Fay Rogstad

I grew up on a dairy farm in the 50s and 60s, providing me with the opportunity to work with cattle for 4-H and help my brother with Arabian horses. In the house, my parents always had a Great Dane.

My love for the Great Dane carried into my adult life. I was fortunate to have met the formidable breeder Ray Cataldi in the 70s. That mentorship I will treasure forever! My first champion was CH Rojon's Mahogany, starting my journey forward.

I have bred and co-bred more than 35 champions over the years, which I owner handled and used a handler when warranted. I only bred when I felt I had all the resources available to support the needs of the puppies that were produced. I have been fortunate to have produced Top 20 contenders and Top 20 winner. A huge thrill was going Winners Dog, owner handled, at the 1996 National in Lake Geneva.

In the 90s, I owner-handled three Vizlas to their championships. They were the hardware gang: Hank, Ace, and True. The Vizslas taught me a lot — it was a fabulous experience! They are a wonderful breed that got along wonderfully with the Great Danes.

I have been a member of The Heart Of Minnesota Great Dane Club for over 20 years, during which I have held many positions.

Currently I serve on the Board of Directors and as Show Chair. I am also a member of the Great Dane Club of America and look forward to serving as the Affiliate Club Representative.

In 2020, I ventured to a new path and started judging. It has given me the opportunity to meet many wonderful exhibitors and to judge many beautiful examples of our breed.

When I walked into my first dog show in the early 70s, little did I realize the experiences that were ahead of me. I have formed lifetime friendships that I will always cherish.

Thank you for the invitation to judge your specialty. I feel honored to be included with this prestigious panel.

Friday PM Judge: Nichole Bartlett

I have been actively participating in the sport of purebred dogs for over 20 years, having owned and bred many Great Danes, Ibizan Hounds, a Whippet as well as co-owned Doberman Pinchers and Afghan Hounds.

I have enjoyed competing in conformation, obedience, rally obedience and barn hunt with my Danes.

While I consider myself a breeder of the blue and black color family, I have also bred harlequin and have owned several fawn Danes.

I am currently licensed to judge 20 AKC breeds as well as Junior Showmanship.

I want to thank the club for inviting me to come judge at your show and thank you, too, to all of the exhibitors and owners!

Saturday AM Judge: Adam Protos

My name is Adam Protos and I have been passionate about the Great Dane breed since 1989. Through the years I have had the good fortune to share my life with many beautiful Danes and have bred over 60 champions under the Rojon prefix with my long-time confidant, Ray Cataldi, Jr.

Together we have produced many Honor Roll and Hall of Fame dogs, Futurity and National Winners, including the GDCA National Specialty winner, BIS Ch. Rojon's Say Yes.

Although I have been exhibiting Danes for many years, I have always identified as a breeder first and being named the 2011 GDCA Breeder of the Year will always stand as one of my proudest accomplishments.

When I'm not chasing puppies or traveling to dog shows, my job as a cardiothoracic surgeon keeps me occupied. I also enjoy travel and exploring fine dining.

I look to the future with excitement for our breed and the artistic men and women who are its guardians. These are the people who sculpt the Great Dane into what he must always be first: an imposing guardian and loyal companion of arresting beauty.

Saturday PM Judge: Fernando Arce

Fernando Arce grew up with animals in Costa Rica, his family dedicated to raising cattle and working horses. While there were no Great Danes at home, he was taken by the breed's beauty early on.

Starting in harlequins (BMW bloodlines) decades ago, his defining moment in Great Danes was meeting Ray Cataldi. With Ray's mentorship, Fernando shifted focus to fawns and brindles.

Casaarabal (Fernando and his partner's kennel name) has been very successful in Great Danes and Bulldogs, breeding multiple champions at national and international levels (American, Italian, Mexican, Colombian, Uruguayan, Indian, and others) -- including BIS (Best in Show) and BISS (Best in Specialty Show) winners.

Fernando's background in veterinary medicine and livestock evaluation influences his structural and functional approach to judging dogs. As an FCI all-breed judge, he has enjoyed assignments throughout United States, Canada, Latin America and the Caribbean.

Sunday AM Judge: Tracy Powell

I was born in Tulsa, Oklahoma, spent most of my childhood on Long Island, New York and have lived in Connecticut for the last 20 years. I have enjoyed being a veterinarian with a special interest in canine reproduction for over 20 years.

I got my first Great Dane, a harlequin girl named Dulce (Palladium Dulce In The Sky W Diamonds CD RAE CGC), in 2002. Dulce was my introduction to breeding and exhibiting Great Danes in AKC conformation and companion events and was the inspiration for my kennel name, Dulce Danes.

I have bred and owned harlequin, mantle, and merle best in specialty show winners, the first mantle male AKC group winner, the first merle Great Dane AKC champion and grand champion, and an AKC all breed Best In Show winner. My stud dogs have produced multiple champions including GDCA Top 20 Great Danes and the 2017 GDCA National Specialty Best of Breed winner. I am very selective with my breeding program and do not breed often.

Besides conformation, I enjoy showing in performance events. I have exhibited in scent work, obedience, rally, and agility along with having certified therapy dogs and animal actors who do commercials, print ads, and videos.

I am a member of the Great Dane Club of America and the Great Dane Club of Oxford, CT. I have held multiple offices for the parent and local club. In 2017, I was approved by the AKC to judge Great Danes and now I judge the Working Group, over half of the Hound Group, and Juniors. I really enjoy judging and have had the pleasure of judging best of breed at the GDCA National Specialty, many large specialty shows, and the GDCA Top 20.

Sunday PM Judge: Robert Edison

In the early 1970's I rescued a natural-eared fawn bitch I called "Fresca." She began a lifetime love and commitment to the breed. A few years later I purchased my first show dog from Tivoli breeding. We bred under the Del Oro prefix, producing seven generations of champions, including group and specialty winners, some of whom ranked in the top twenty. Over the years we built our bloodline on notable breeders, specifically Lowell and Arlene Davis (Davis), Steve and Bette Temple (Temple Del) and Amos and Anna Mary Kauffman (Mountdania).

I was approved to judge Great Danes in 1984, and since that time have added breeds in the Working and Herding groups, as well as being approved for all-breed

Junior Showmanship. I've been honored by my peers to have judged the GDCA National Specialty five times, the Top 20 three times, and Great Dane National shows in Canada (twice), Australia and Ireland.

Over the years I've served on the GDCA board multiple times, including as President. We are currently active members of the Great Dane Club of Arizona. The most important person in my life, John Jarvise (who judged Sweepstakes earlier today), and I reside in Tucson, Arizona where I currently serve as a non-profit management consultant.

My sincere gratitude to the members of the Great Dane Club of Northern California for having me on their panel, once again. I hope all exhibitors enjoy this very special weekend.

Thursday 4-6 Puppy Judge: Wendy Corr

I got my first dog, an American Eskimo, during my childhood. This experience was the foundation for my interest in dog training. I learned how to train dogs for conformation, obedience, and other activities, which sparked a lifelong passion for working and competing with dogs.

Years later, I convinced my parents to let me have an Alaskan Malamute. With this breed, I learned how to compete in AKC shows and was fortunate to have many Champions and performance dogs over time. My dedication led to achievements such as earning a UD (Utility Dog), MACH Agility titles, and numerous Working Pack Dog Excellent (WPDX) awards. To obtain WPDX, owners must backpack over 120 miles into remote areas, sleep on the ground for several days, and rely on their dogs for safety when crossing rivers, encountering wild animals, and dealing with rattlesnakes. During these journeys, dogs carry 30% of their body weight. These experiences have helped me continually assess my dogs' conformation structure and deepen my understanding of how proper structure relates to the breed standard.

Currently, I am working toward completing the Non-Sporting Group and expanding my knowledge of the many Working Breeds. In addition, I judge Junior Showmanship.

Friday 4-6 Puppy Judge: Lisa Cornett

Lisa Cornett is a professional pet groomer and the owner of Animal House Grooming in Modesto, California. She has been breeding and showing American Staffordshire Terriers for 27 years. Lisa is an AKC Breeder of Merit and a certified pet groomer. Originally from the Bay Area, she was born in Hayward, California and now lives in the Central Valley.

Lisa looks forward to expanding her expertise beyond the breeds she currently works with and is eager to learn about and eventually judge additional purebred dog breeds. She is also a new judge for the American Staffordshire Terrier and Junior Showmanship.

With her passion for dogs and commitment to excellence, Lisa continues to make a positive impact in the world of purebred dogs.

Official Standard of the Great Dane, Approved July 9, 2018, Effective January 1, 2019

General Appearance: The Great Dane combines, in its regal appearance, dignity, strength and elegance with great size and a powerful, well-formed, smoothly muscled body. It is one of the giant working breeds, but is unique in that its general conformation must be so well balanced that it never appears clumsy and shall move with a long reach and powerful drive. It is always a unit-the Apollo of dogs. A Great Dane must be spirited, courageous, never timid; always friendly and dependable. This physical and mental combination is the characteristic which gives the Great Dane the majesty possessed by no other breed. It is particularly true of this breed that there is an impression of great masculinity in dogs, as compared to an impression of femininity in bitches. Lack of true Dane breed type, as defined in this standard, is the most serious fault.

Size, Proportion, Substance: The male should appear more massive throughout than the bitch, with larger frame and heavier bone. In the ratio between length and height, the Great Dane should be square. In bitches, a somewhat longer body is permissible, providing she is well proportioned to her height. Coarseness or lack of **substance** are equally undesirable. The male shall not be less than 30 inches at the shoulders, but it is preferable that he be 32 inches or more, providing he is well proportioned to his height. The female shall not be less than 28 inches at the shoulders, but it is preferable that she be 30 inches or more, providing she is well proportioned to her height. Danes under minimum height must be disqualified.

Head: The **head** shall be rectangular, long, distinguished, expressive and finely chiseled, especially below the eyes. Seen from the side, the Dane's forehead must be sharply set off from the bridge of the nose, (a strongly pronounced stop). The plane of the skull and the plane of the muzzle must be straight and parallel to one another. The skull plane under and to the inner point of the eye must slope without any bony protuberance in a smooth line to a full square jaw with a deep **muzzle** (fluttering lips are undesirable). The masculinity of the male is very pronounced in structural appearance of the head. The bitch's head is more delicately formed. Seen from the top, the **skull** should have parallel sides and the bridge of the nose should be as broad as possible. The cheek muscles should not be prominent. The length from the tip of the nose to the center of the stop should be equal to the length from the center of the stop to the rear of the slightly developed occiput. The head should be angular from all sides and should have flat planes with dimensions in proportion to the size of the Dane. Whiskers may be trimmed or left natural. **Eyes** shall be medium size, deep set and dark, with a lively intelligent expression. The eyelids are almond shaped and relatively tight, with well-developed brows. Haws and Mongolian eye(s) are very serious faults. In Harlequins and Merles, the eyes should be dark, but blue eye(s) and eyes of different colors are permitted. **Ears** shall be high set, medium in size and of moderate thickness, folded forward close to the cheek. The top line of the folded ear should be level with the skull. If cropped, the ear length is in proportion to the size of the head and the ears are carried uniformly erect. **Nose** shall be black, except in the blue Dane, where it is a dark blue-black. A black spotted nose is permitted on the Harlequins and Merles; a solid pink color nose is not desirable. A split nose is a disqualification. **Teeth** shall be strong, well-developed, clean and with full dentition preferred. The incisors of the lower jaw touch very lightly the bottoms of the inner surface of the upper incisors (**scissors bite**). An overshot bite is a serious fault. Undershot and wry mouths are very serious faults. Even bites, misaligned or crowded incisors are minor faults.

Neck, Topline, Body: The **neck** shall be firm, high set, well arched, long and muscular. From the nape, it should gradually broaden and flow smoothly into the withers. The neck underline should be clean. Withers shall slope smoothly into a short level **back** with a broad loin. The **chest** shall be broad, deep and well muscled. The forechest should be well developed without a pronounced sternum. The brisket extends to the elbow, with well sprung ribs. The **body** underline should be tightly muscled with a well-defined tuck-up. The **croup** should be broad and very slightly sloping. The **tail** should be set high and smoothly into the croup, but not quite level with the back, a continuation of the spine. The tail should be broad at the base, tapering uniformly down to the hock joint. At rest, the tail should fall straight. When excited or running, it may curve slightly, but never above the level of the back. A ring or hooked tail is a serious fault. A docked tail is a disqualification.

Forequarters: The forequarters, viewed from the side, shall be strong and muscular. The **shoulder blade** must be strong and sloping, forming, as near as possible, a right angle in its articulation with the upper arm. A line from the upper tip of the shoulder to the back of the elbow joint should be perpendicular. The ligaments and muscles holding the shoulder blade to the rib cage must be well developed, firm and securely attached to prevent loose shoulders. The shoulder blade and the upper arm should be the same length. The **elbow** should be one-half the distance from the withers to the ground. The strong **pasterns** should slope slightly. The **feet** should be round and compact with well-arched toes, neither toeing in, toeing out, nor rolling to the inside or outside. The **nails** should be short, strong and as dark as possible, except that they may be lighter in Harlequins, Mantles and Merles. Dewclaws may or may not be removed.

Hindquarters: The hindquarters shall be strong, broad, muscular and well angulated, with well let down **hocks**. Seen from the rear, the hock joints appear to be perfectly straight, turned neither toward the inside nor toward the outside. The **rear feet** should be round and compact, with well-arched toes, neither toeing in nor out. The **nails** should be short, strong and as dark as possible, except they may be lighter in Harlequins, Mantles and Merles. Wolf claws are a serious fault.

Official Standard of the Great Dane, continued

Coat: The coat shall be short, thick and clean with a smooth glossy appearance.

Brindle

Color: The base color shall be yellow gold and always be brindled with black cross stripes.

Patterns/Markings: Brindle shall have a black chevron pattern with a black mask. Black should appear on the eye rims and eyebrows and may appear on the ears and tail tip. The more intense the base color and the more distinct and evenly brindled, the more preferred will be the color. Too much or too little brindling are equally undesirable. White markings on the chest or toes; black fronted; dirty colored Brindles; are not desirable.

Fawn

Color: The color shall be yellow gold.

Patterns/Markings: Black should appear on the eye rims and eyebrows with a black mask and may appear on the ears and tail tip. Deep yellow gold must always be given the preference. White markings on the chest or toes, black-fronted; dirty colored Fawns; are not desirable.

Blue

Color: The color shall be a pure steel blue.

Patterns/Markings: White markings on the chest or toes are not desirable.

Black

Color: The color shall be a glossy black.

Patterns/Markings: White markings on the chest or toes are not desirable.

Harlequin

Color: Base color shall be white with black torn patches. Merle patches are normal.

Patterns/Markings: Black torn patches well distributed over the body; with whole or partial white neck. Black pigment may be seen on the skin in white areas. No patch should be so large as it appears to be a blanket. Eligible but less desirable, are black hairs showing through the white base coat which gives a salt and pepper or dirty appearance.

Mantle

Color: Black and white with a black blanket extending over the body.

Patterns/Markings: Black skull with white muzzle; white blaze is optional; whole or partial white neck; a white chest; white on whole or part of the forelegs and hind legs; white tipped black tail. A small white break in the blanket is acceptable. Black pigment may be seen on the skin in white areas.

Merle

Color: A pale gray to dark gray merle base color with black torn patches within.

Patterns/Markings: May be Solid Merle (white on chest and toes is permissible) or Merle with a Mantle Pattern (solid merle blanket extending over the body; merle skull with a white muzzle; white blaze is optional; whole or partial white neck; a white chest; white on whole or part of the forelegs and hind legs; white tipped merle tail. A small white break in the blanket is acceptable. (Black pigment may be seen on the skin in white areas.)

Disqualification: Merlequin, a white dog with ONLY patches of merle.

Faults of Patterns/Markings shall NOT carry as much weight as faults of conformation and breed type. Any variance in Patterns/Markings as described in the above colors, shall be faulted to the extent of the deviation. Any COLOR other than the seven described shall be disqualified.

Gait: The gait denotes strength and power with long, easy strides resulting in no tossing, rolling or bouncing of the topline or body. The backline shall appear level and parallel to the ground. The long reach should strike the ground below the nose, while the head is carried forward. The powerful rear drive should be balanced to the reach. As speed increases, there is a natural tendency for the legs to converge toward the centerline of balance beneath the body. There should be no twisting in or out at the elbow or hock joints.

Temperament: The Great Dane must be spirited, courageous, always friendly, dependable and never timid or aggressive.

Disqualifications

Danes under minimum height. Split nose.

Docked Tail.

Any color other than the seven colors described.

Merlequin.
